

Microprocessor Test and Verification Scholarship Application

ARM is pleased to provide numerous educational scholarships for students to attend the Annual [Microprocessor Test and Verification Conference](#) to be held December 5-7, 2011 in Austin, TX.

Eligibility

Applications must be received by 5pm October 1, 2011. Applicants will be notified by October 29, 2011.

The scholarship is open to:

- Graduate students working in the field of processor verification
- Graduate students performing processor verification research at accredited universities
- Graduates holding a MS or PhD working in verification with less than three years industry experience

Details

Two types of scholarships will be awarded:

- National Attendees: Scholarships are given which include up to 3 nights at the conference hotel, round-trip airfare, and conference registration.
- Texas Attendees: Scholarships are given which cover the cost of the conference registration rate.

Selectees will be expected to attend conference presentations, meetings, and present a report about their experiences and thoughts.

Apply
